GEORGE F. SCANLON

Born Norwich, N. Y. March 1, 1898. Graduate of Norwich, N. Y. Public Schools, Wharton School of University of Pennsylvania where he was active in student publications and athletic activities. Member of Sphinx Senior Society 1919-20.

After college entered the security business as an employee with several Wall Street firms for several years and then his own firm. He became active in a number of business firms. He was Chairman of the Board of Directors and Chief Executive of Godchaux Sugars, Inc., New Orleans, La.; President of Newberry Lumber & Chemical Co., Newberry, Michigan; Director of Hermetite Corp., Vicana Sugar Co., Kellogg Lumber Co., Comet Rice Mills, Inc., and other companies.

Late in life one of his grandchildren asked him to get him certain coins. He did so and in the process got "hooked" so to speak on coin collecting himself. Being a great believer in the United States of America he collected only U. S. coins. He did put together in a short span of 10 years one of the most complete collections of American coins and sets ever assembled, mostly in Proof or Brilliant Uncirculated condition.

This catalog attests to the results of his efforts, and will be an important reference source for collectors for many years to come.
